MEET THE TEAM

ED MONCRIEF
Principal Dentist
BDS
(GDC Number: 65763)

Ed is the principal dentist at 2TH. He completed his dental education at Sheffield University in 1990. After graduating, he gained valuable experience by working as a dentist in Germany for a year, which allowed him to become fluent in German.

In August 2000, Ed, along with his wife Sharon, who serves as the Practice Manager, established 2TH. Their vision was to create a dental practice with prioritises patient-centred care and operates in a private setting. Ed's passion for utilizing the latest dental technologies ensures that patients receive the most advanced treatments available, enhancing their overall dental experience.

Outside of his professional life, Ed maintains an active and healthy lifestyle. He keeps fit by engaging in activities such as cycling, running and swimming. Also, Ed nurtures his love for languages by pursuing learning Welsh.

ROBERT COPE
Dentist
BDS
(GDC Number: 68088)

Dr Rob is a highly experienced dentist with a passion for restorative and implant dentistry. He obtained his dental qualification from Birmingham Dental Hospital in 1992, marking the beginning of his dental career.

In 1988, Rob pursued further education and received a certificate in restorative dentistry from St Ann's in Manchester, and in 1999 also successfully completed an implant dentistry course. This specialised training allowed him to enhance his skills and knowledge, focusing on the restoration and rehabilitation of damaged or missing teeth, helping patients regain their smiles and oral functionality.

Following his qualification, Rob worked as an associate in Bromsgrove, where he provided routine dentistry services and performed oral surgeries under general anesthesia.

Currently, Rob works with multiple dental practices, where he offers his expertise, ensuring convenience and comprehensive care for his patients. His patients can rely on him to deliver high-quality dental care and achieve optimal oral health outcomes.

LYNDA VICKERS
Dental Therapist
BSc
(GDC Number: 103547)

Lynda is our skilled and dedicated dental therapist and has been a valuable member of our team since 2015. Lynda qualified in Dental Therapy from Birmingham in 2006.

Lynda's primary focus is on providing exceptional dental hygiene care to our patients. In addition to routine dental hygiene visits, she specializes in treating gum disease. Lynda also takes pride in developing personalized home plans to help patients maintain optimal dental health. She understands the importance of preventative care and works closely with patients to achieve healthy and beautiful smiles.

Lynda's warm and compassionate nature creates a welcoming atmosphere for everyone who visits our practice. She is also passionate about children's dentistry and possesses the necessary skills and knowledge to create a comfortable and positive dental experience for young patients. She strives to educate and inspire them to maintain good oral hygiene habits from an early age.

Outside of work, Lynda embraces the joys and challenges of being a parent to two small children.

PERSIO RODRIGUEZ
Dentist
ODont
(GDC Number: 207506)

Persio is a skilled and experienced dentist who has been practicing dentistry since he qualified from the Ibero-American University in the Dominican Republic in 1995. After completing his dental training, he worked in a private dental clinic in Barcelona for several years, gaining valuable experience in a range of dental procedures.

In 2011, Persio made the move to Market Harborough, where he has been providing high-quality dental care to his patients ever since. Over the years, he has completed further courses in dental aesthetics, prosthodontics, and Invisalign, staying up-to-date with the latest advances in technology and techniques.

Beyond his work as a dentist, Persio has a passion for music and playing the Spanish guitar.

PATIENTS REVIEWS

I attended an appointment at this dental practice for the first time and I felt that it was a great experience. The dentist was called Persio Rodriguez and he was able to keep me calm as I was very nervous as I was due to have a very difficult extraction due to other conditions I have. The service was first class and Persio and his dental nurse worked very well together in order to provide me with a good caring and professional service. I will keep attending with Persio every time. 100% recommended.

I have recently had some dental work done and being new to the area 2TH Dental Practice was highly recommended, so feeling very nervous I was immediately reassured and felt listened to and instantly felt comfortable and at ease. The entire process was done in such a gentle caring manner my lifelong fear of dentists vanished. I am so pleased with the end result and highly recommend.

I can't recommend 2th Dental Practice highly enough! Ed is always extremely professional and thorough. He really takes his time to listen to any concerns I may have regarding my dental history. My teeth have never looked better. Thank you for your fantastic service!

If I could give more star's I would! In my opinion this is a highly professional Dental Practice and any work needs doing is fully explained and you can see it for yourself both on Tv and on X-ray beforehand. Ed is by far the best Dentist I've had and has got me out of a couple of very awkward situations where I would have had to see a specialist. He does a top-notch job and I can't fault him or the staff that work there. Excellent!
